LETTERS TO THE EDITOR

Dear Editor:

I am happy to report that my letter to you re Tangled Wires brought prompt relief to Mrs. Dickey, 3565 Harris Street. The electric light officials who read the letter, took prompt action and Mrs. Dicky's meter was changed to the north side of her house, her neighbor on North avenue to the east has his separate meter and the owner of the house at 3559½ Harris Street has a separate meter, located on the dwelling just west and fronting on Harris.

Mrs. Dickey's house has been re-wired as planned and all danger to her and her children has been removed. And the bill for re-wiring has been paid!

Your paper has a large circulation. I was told that a Gasco employee who is a subscriber read the letter and took it to his Boss, who started quick action, with the happy result. You have another subscriber, too, for Mrs. Dickey asked me to send her the REVIEW, making one more on the list of readers.

I thank the Electric Co. for their promptness in straightening out this situation.

Very truly,
Dick Henderson.

Dear Editor:

I read your article on the county road department last week with considerable interest.

I've got a complaint I would like to add and it concerns the scraping operation the road department occasionally does on some of our secondary streets. They use a scraper to pull the dirt from the edge of the road leaving it piled in the traffic lane. Autos drive along and stir the dirt and dust up and it ends up in our houses.

The law denies me a right to throw debris in or alongside our public roads but it evidently is not aimed at stopping road scraping activity which contributes more toward dirty streets in one hour than motorists contribute in a month.

We know street scraping is necessary but sweeping is equally vital. If we possess no sweeper in this district our county road department should supply us with one. Our taxes are high enough to afford us this vital necessity.

It would be a big contribution to community cleanliness if the road department would be guided by the same regulations as we motorists and residents are.

Dear Editor:

Regarding the closing of Murray Hill Road, which you used as a springboard for a general complaint about the county road department, it would seem to me that you fumbled this one and got the horse wrong-end to.

You see, the work is all being done in the city of La Mesa. That city permitted the work which caused the road closure. The contractor could have closed the road at the La Mesa city limits. Up to this point, as you can see, the county road department had no interest or authority in the matter. The sole, and it seems to me, beneficial, effect of closing the road at the bottom of the hill was to prevent cars from proceeding to the city limits of La Mesa, and then having to turn around and come down again.

Yours Truly
Edward A. Singer
Superintendent Div. I

Dear Mr. Editor:

Members of the Business Women's League wish me to express our group's gratitude to you for the fine job of reporting you have done for us in regard to our meetings. We are grateful, too, for the all-out support you have given us on our special projects. Being able to count on the cooperation of the community newspaper goes a long way toward easing and making pleasant the year's service of a group of officers in any organization.

Sincerely,
Mrs. C. K. Nicholl
President

M.H. Opinions Varied on Juveniles

Monterey Heights Civic Association, inactive of late and partially revived two weeks ago with a meeting at the home of Robert Buckner 1496 Skyline Drive when 35 residents of Monterey Heights living in the vicinity got together to discuss the problem of disturbances created nightly by teenagers.

Some of those persons present at the first meeting wanted another meeting and it was announced that a meeting would be held Sunday afternoon April 22, at 2 p.m., but the meeting place was inadvertently omitted. The place was Monterey Heights School Auditorium, and at 2:10, 17 persons were present. Later arrivals brought the attendance to 20.

R. J. Buckner, Mr. and Mrs. Russell Foster were on hand at 2 o'clock, and at 2:15 Buckner called the meeting to order, announced that two things were to be discussed:

1—To reactivate Monterey Heights Civic Association.

2—Follow up the meeting of two weeks before, to discuss whether anything can be done to provide a place for teenagers to gather.

Those attending were on a first name basis, evidently friends and neighbors, so except in a few instances the surnames of those speaking were not given.

First to respond to the chair's request for suggestion was Dorothy, who asked "Do we have to furnish recreation for all teenagers or only for our own?"

Mr. Foster said Lomita Village has a dance once a week, with orchestra. Also, Encanto has various social activities. Problem kids by-pass supervised activities.

Mr. and Mrs. Hedrick, proprietors of "Sundries," formerly known as the "Malt Shop," were present. Mr. Hedrick said his business had dropped off one day's gross since he had started closing earlier.

Buckner and Foster both said conditions had been greatly improved in the past two weeks.

Someone asked if the Youth Center in Lemon Grove does much good? No one was prepared to answer.

Foster thought it was the kids in the area, not outsiders, they were interested in.

Mrs. Hayman said the borderline cases would come over. Kids 13 to 15 want to dance. There have been dissensions between Lemon Grove and Monterey Heights youngsters.

Mrs. Nelson told of the way a similar situation was handled in her home town. The kids got out and raised money for a hall and for entertainment. It worked out fine, but she didn't remember just how the scheme started.

Mr. McLinn said he was a "stay home guy." He has two children and wanted to put up—and did—$5 as a starter, thought a secretary and treasurer should be appointed. Recommends Boys' Town approach. Nobody else indicated a desire to put up any dough.

Foster spoke of lack of interest of parents.

Mr. Malarkey thought they were by-passing the main issue. The problem stems from our own homes.

The Malt Shop was brought into the discussion again by Foster. Said there was another malt shop further down the street that the youngsters patronized and no disturbance had ever occurred there.

Buckner suggested three points for consideration:

1—Dances for younger teenagers, 2—youth from other areas, 3—cooperative law enforcement.

Suggestion made that flood lights be installed at Hedrick's store. Mr. Hedrick said he would pay for the juice.

Joe Balasky, 1600 Skyline Dr., said he left home when he was 14, and had similar problems. Balaskey spoke at length on several matters.

One man said he was merely an onlooker. Would rather have a nice clean beer joint next to him.

Buckner stopped that argument promptly, said liquor was not included in the discussion.

Next meeting, if any, will invite the youngsters and get their side.

Buckner asked for a vote on reactivation of M. H. Civic Association, and two persons voted in favor.

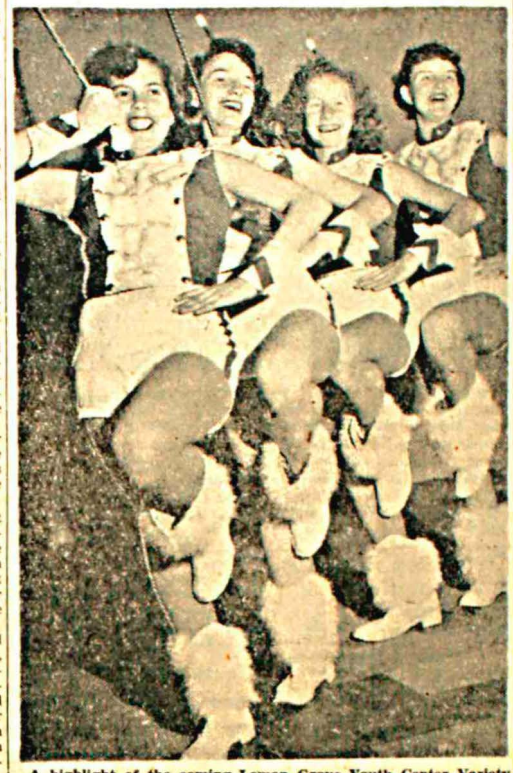
Chairman Buckner appointed a committee of four, Mrs. Hayman, chairman, and Mrs. Johnson, Mr. Foster and Bob Buckner, to work with Lemon Grove Youth Center on the problem.

Mr. Foster and Mr. Buckner urged residents to patronize "Sundries," Hedrick's store, as far as possible and help store receipts.

It seemed to this reporter that Monterey Heights has no "delinquent" problem, the trouble is borderline cases coming in from outside. Joe Balasky thought an hourly patrol by police, rather than a four-hour trip, would be helpful.

If these outsiders were refused service and given the brush-off, with strict observance of the curfew and some arrests of offending juveniles, the situation could be clariifed. Make it tough for the trouble-makers, let them know they are not wanted in Monterey Heights. Meeting adjourned at 3:30.—D. H.

Twirlers On Youth Center Benefit Show



A highlight of the coming Lemon Grove Youth Center Variety show to be held Friday evening, at the Lemon Grove Junior High School Cafetorium will be the appearance of The Twirlers of Oz.

Left to right are twirlers Jeanette Geibe, Beverly Banium, Jean Klepzig and Deanna Fiester.

Other feature acts of the show by local talent will be vocal ensembles, instrumentals, baton twirling demonstrations, square dancing exhibitions and acts of Judoism. Students of Myra Sonka's dancing school and Frances' school of the dance will present short programs.

The proceeds will be used to support the newly reorganized Youth Center. Tickets are 25c and 50c and may be obtained from any civic group, at all the schools and at the door.

The Dimmer VIEW

By MAX GOODWIN

The dyspeptic editor of the EL CAJON VALLEY NEWS, Mr. Si Casady, made a mighty important editorial discovery last week. Because of the enthusiasm and vehemence with which he wrote, it appeared that he had that day discovered an old editorial favorite of mine, the Helix Irrigation District. I refer to the latter mor often than not as the Lemon Grove Water Works.

Casady complains that the water works indulges in strange practices by arranging, without benefit of public approval, to acquire land and build a new administration building. It appears all the more strange to Casady because the water district plans to build it in La Mesa rather than El Cajon. Growls Casady, the district already has its field offices, garage, warehouse and lab in El Cajon, and El Cajon would be nearer the eventual center of population. For these two reasons the administration building should be built in El Cajon, and we agree with this reasoning.

La Mesa has, as has Lemon Grove, become a fringe community by a geographic scale which varies with population growth. Lemon Grove would be even less suitable for such a building because the coming flurry of San Diego city annexations could possibly put the district administration building in the city of San Diego.

It is then in the purest sense of logic that I bequeath to Mr. Casady our share of the Lemon Grove Water Works, and with it goes the Citizen's Advisory Committee to the district. This committee is privy to the district's board. In this committee is where

WATERWORKS SEEKS SITE FOR NEW BUILDING

The Lemon Grove waterworks will attempt to purchase approximately 60,000 square feet of land in the La Mesa civic center block to be used as a site for a new larger administration building, M. J. Sheton, chief engineer and general manager of the district said this week.

The present building contains 5000 square feet and is 30 years old. It was enlarged in 1940. Forty-five persons work in the building at present.

The La Mesa civic center site faces the American Legion Hall and will include a future city hall, a post office building, a combination library and auditorium as well as the present police and fire department buildings which are already located on this site.

CHURCH GROUP PLEDGES BIBLE CARRYING

The Luther Leagues of Lemon Grove Lutheran Church will be host to the Luther Leagues of St. Luke's Lutheran Church of La Mesa at a Potluck dinner 7:00 p.m. Sunday, for the P.T.M.

P.T.M. is the Pocket Testament Movement in which each leaguer pledges to carry a new testament with him and read it daily.

Bakken administered the Rite of Holy Baptism to two infants, Albert Eddie III, son of Mr and Mrs. Albert Eddie of Lomita Village and Enola Emmary Roethler, daughter of Mr. and Mrs. Babe Roethler of Spring Valley. May the Lord bless these new members of the church.

LA MESA EDITOR STOPS UNANNOUNCED CITY COUNCIL CONGREGATING

Jim Hill, editor of the La Mesa Scout, last week broke up a City of La Mesa council "get together" which he charged was a secret meeting.

Hill and Dick Sims, Scout news editor, went as "uninvited guests" to the council gathering and charged that the city group had breached Luckel Act requirements by failing to give notice to "councilmen, newspapers and radio stations" 24 hours in advance of meetings.

Dr. Glen Crosbie, who since the event has been elected mayor said, "We did not feel there was anything illegal in our actions. This was not a meeting as such. It was a get-together for discussional purposes and salaries was one of the items. There had been no plans to take action on anything up for discussion."

Les Freeman, La Mesa City Clerk said that notices of a special meeting were sent out the same day after Hill complained and that a formal meeting was then held Monday.

No records were kept of the "get-together" Freeman said. He also said that Earl Logan, who was mayor at the time of the editor's complaint, did not call the gathering to order.

Other publishers in the county have shown a sharp interest in Hill's charges.

Heidick Named to Head Area Civil Defense

C. J. "Skip" Heidick, 2612 Nida Street, has been appointed chief of Civil Defense for Lemon Grove, replacing Dr. Frank Gigliotti, resigned.

The appointment was made by Admiral Robert Rodgers last week. Rodgers is chief of the warden service of the county organization.

Considerations of health and a tight schedule of civic and business activities contributed to Gigliotti's decision to step down.

Heidick had been deputy of the group. Gigliotti will remain as alternate and advisor.

During the three years of Gig-

Turn Ahead The Wrist Watch Too, Warns Garroway

Daylight Savings Time will be with us again this week-end.

Local residents will move their clocks ahead one hour on Sunday morning. Better do it before church time, too.

In town to remind local residents of the time-change was Dave Garroway, he of NBC's famed "Today" program over San Diego's channel 10.

Also, he reminds readers and viewers that there are some time changes in his program. His "Today" section is aired at 7:30 a.m. daily but the second section "Today in the West" will be moved to the 11-12 noon slot.

A program featuring Arline Frances will take over the 8 to 9 a.m. hour.

In the above photo to dramatize the time change are Mrs. Max Goodwin, wife of this paper's publisher; Garroway, and William Goetze, owner of channel 10 station. Garroway, obviously, is advising the onlookers not to forget the wrist watch in the time change-over.

Men's Club to Make First 'Unsung Hero' Award

First of the "Unsung Hero" awards will be made by the Men's Club Friday, it was announced by Ray Purtee, vice president and awards chairman.

Jim Sanchez, Lemon Grove Fire Department engineer, will be given the award for saving the life of a four year old Linda Vista youth who was in a state of convulsions in a Lemon Grove drug store.

Sanchez pulled the youth's tongue from his throat, getting his finger bitten in the process. He administered oxygen to start the youngster breathing again. The youth had a temperature of 105 degrees and officials at La Mesa Hospital, where the youth was taken by ambulance, credited the prompt administering of oxygen by Sanchez as the thing which permitted the child to live.

A suitable ceremony and an award of a plaque will be made at the meeting.

At last week's meeting members heard Ted Skelley, Ray Purtee and Robert Pullium tell of the plans for a community program to keep Lemon Grove's business thriving. Arthur Pugatz, of the Junior Chamber of Commerce, outlined plans for a Lemon Grove Clean-up campaign.

Meetings are held each Friday at noon at Michael's.

Purse Snatcher Foiled By Piggly Wiggly Mgr.

The quick eye and action of Lemon Grove Piggly Wiggly manager Harold Secor may cause the apprehension of a purse snatcher.

Entering the P-W parking lot Tuesday after lunch Secor saw a car partially obstructing traffic. As he approached the unoccupied car to get it moved he heard a woman scream at the other end of the lot.

A youth, in his late teens, dashed into the car Secor was attempting to get moved from the traffic lane and sped away. Not, however, before Secor had torn a "skivvy" shirt from around the license plate. The license number was referred to the sheriff's department. In his haste the snatcher dropped the purse which was returned to its owner.

Sheriff's department reported Wednesday morning that they had caught the purse snatchers on Sweetwater Road within an hour of the crime.

There were three juveniles in the car. There were also two cases of beer. Two of the Youths lived in Lemon Grove; one in La Mesa. Officers involved were Smith, Bryan, Sable and Ryan.

SIGN GOES UP ON SWIMMING POOL SITE

A huge sign now identifies the property on which the Lemon Grove Swimming Pool will be built. The property is near the corner of Palm and Mt. Vernon Streets.

Contributions of individuals, groups clubs and organizations have helped swell the fund to the point where the land could be acquired. Most of the money, naturally, came from Swimming Pool Association sponsored projects such as the annual carnival, another of which is to be held at St. John of the Cross Rodeo Grounds Friday and Saturday, May 11th and 12th.

In the photo are V. J. Dorman, Paul Louer and Emmett Marshall, Lions Club members who took on the sign project. Dorman is on the Swimming Pool Association board. Marshall is past president of the Association.

Boy Scouts Remember Scoutmaster's Birthday

Troop 168, Boy Scouts, St. John of the Cross Troop, remembered Mike Krauss their Scoutmaster, on his birthday last week. Mike was presented with a dandy "wind proof" Ronson lighter, and Mike doesn't have to borrow lights from any one now.

Mike refused to tell what birthday he had, but he was deeply touched by the Troop's gift. "They are a fine bunch of Boys," Mike said.

Committee Becomes Busier at Hospital; Fair Time Approaches

As the date of Grossmont Hospital Women's Auxiliary's third annual country fair approaches—Saturday, May 12—its busy participants grow busier and busier.

A case in point is the group that gathered in the La Mesa home of Mrs. Bruce Harms one morning last week to make clown pillows, and became so interested they worked all day! The jolly little pillows, stuffed with foam rubber, have been a sellout wherever shown. They will be featured by the gift and sewing booth, along with doll clothes made in Alpine, towel aprons from Jamul, and petticoat holders from Lakeside. What is a "petticoat holder"? Come and see!

Home baked goods, home made candy, fresh and home canned produce of the region will also be featured; with merry-go-round, popcorn, cotton candy, fish pond, and other amusements for the small fry. A baked ham dinner at $1 donation (child's plate, 50c) will top off the occasion, proceeds of which will be used to purchase a patient-admitting addressograph and graphotype for Grossmont Hospital.

The fair will be held on the Quad of Grossmont High School, 11 a.m. to 7 p.m., no admission charge; dinner served 5-7.

Mrs. Harms' group (Mmes. Glenn Adams, J. P. Thomas, Roy Booth, Murray Kellock) will meet in her home, 8470 Porter Hill Terrace, 9:30 a.m., Thursday, April 26, to complete the clown pillows. Volunteers are invited to come for the day or any part of the day. "Bring along sandwiches," said Mrs. Harms. "Coffee and dessert will be served."

Grove Juniors Win Top District Award in Music

"Aloha, till we meet again" was the theme of the Southern District Convention held at El Cortez Hotel Friday and Saturday, April 20 and 21.

Twenty-nine Juniors from Lemon Grove attended the awards banquet on Friday evening. Excitement was high as the winners were named. Lemon Grove Juniors took first place in large club division for music. They were presented a sterling silver compote dish, and a check and certificate. This award was accepted by Mrs. Richard Mann, music chairman. The Juniors took third place in Federation Extension and third in Penny Arts. Mrs. William Miller, Penny Arts chairman, was awarded an oil painting for the outstanding way in which her report was given.

The award that all Junior clubs strive to win is the "Build a Better Community" award. It was won this year by the San Bernardino Juniors. The members set up a booth at the department of motor vehicles and sold the nuts and bolts to attach license plates to automobiles. This project netted the club $4,620. Their goal is a community recreation center for crippled children. The club was presented a sterling silver coffee service.

"Aloha" held the spotlight in dress and decor as this was the last time the young women will meet together. The organization is being disbanded and reorganized in four separate county districts. These include San Diego, San Bernardino, Orange (Riverside), and De Anza (Imperial).

The Lemon Grove Juniors hostessed a dance at the conclusion of the convention in the main ballroom of El Cortez Hotel. Mrs. Billy Castle, president and Mrs. Lee Nottingham were co-chairmen for this affair.

Roy Lane, popular haberdasher of Lemon Grove, is back in the community after a sojourn with the surgeon at Grossmont Hospital.

FOLGERS COFFEE AWARDS FINE PRIZE TO LUCKY LADY

Friday, the 13th, proved a lucky day for Mrs. Patrick Tobin, of 7831 Alton Drive. She uses Folgers coffee, has for years, answered the question correctly, and was awarded the Westinghoue Laundromat as a prize.

This reporter acompanied Mr. Gregory, a Lemon Grove resident for five years, on his search for a customer of Folgers who could answer correctly the question of the day "In what country does Queen Elizabeth live?" Mrs. Tobin answered promptly "England," which was correct.

Besides Mr. Grogory and D. H., we were trailed by representatives of two radio stations and the truck of C P Applances, driven by Mr. Howell, with a crated Westinghouse Laundromat ready for delivery.

Mr. Gregory, in charge of Folgers Coffee Door Ringing Promotion, selects the houses to call on, and picked 7831 Alton Drive as his first stop.

He and I went in, rang the bell and Mrs. Kemple, of 1782 Colfax, Lemon Grove, came to the door. Gregory introduced himself, showed his "badge" asked if she used Folgers. Mrs. Kemple said "yes, but she didn't live here, was taking care of Mrs. Tobin, who had been ill since January 1st."

Mrs. Tobin was talking on the phone and was told of her caller, but she didn't come to the door. After a wait of several minutes and on the point of leaving, Gregory rang the bell again and impressed the importance of Mrs. Tobin's appearing in person. We then entered the front room and Gregory identified himself, asked Mrs. Tobin the question and was answered "England." "You have won the prize, if you can show me a can of Folgers."

Mrs. Tobin said I could show you a garage full of empty Folgers cans last week, but had the garage cleaned out." She did produce two cans of Folgers coffee, a one pound and a two pound can. This fulfilled the requirements, and Gregory filled out a certificate. Mrs. Tobin signed a receipt. Mr. Howell took the Laundromat off the truck, uncrated the machine, and Mrs. Tobin posed by it for the photographers for the Radio and TV stations.

Then followed interviews by the Radio men, which were recorded and were to be shown in a week.

Mrs. Tobin was in a highly nervous state, and cried some, but was able to give a satisfactory interview for recording.

Mr. Tobin is a retired Marine, with 30 year service stripes, and her son, Patrick Dowdell Tobin, is now serving in the Marines in Korea. He has been sent a recording of the interview by J. J. Bossard, KSDO representative, assisted by Bill Hill.

Bud Chase, in charge of KSON equipment, which was also used in recording the interview, and will show it on TV.

While these recordings were being made, Mr. Howell was busy connecting the new Laundromat.

Mrs. Tobin said "this the first prize I ever won. Friday the 13th was sure lucky for me."

"I am convinced we are closer to solving the riddle of world peace than at any time in our history."—Joseph W. Martin Jr., Republican House leader.

the district's constituents may be represented, should they want to be.

It was this committee which resolved the administration building problem, and while it is not reconcilable with their previous thinking in terms of bond issues for expansion to the east, I am certain there is some sort of reasoning behind the decision to choose the La Mesa site.

This committee has a record for foresight. Many of its members had the foresight to acquire acreage in El Cajon Valley before that area had a chance to join the district. Certainly, with that same type of progressive rethinking going into the administrative building move, Mr. Casady may yet be host to the entire water works outfit, including the advisory committee.

This committee was formed when the district felt the strong pangs of growing, the pains of which have been alleviated somewhat by the annexation of El Cajon Valley.

I once served on this committee. My service was short, however, since I found all things were already thought out in advance for us. This included the El Cajon Valley expansion. The engineer's recommendations had been offered as gospel, and the size of the district and the size of the bond issue had already been preordained. Most of the committee's work had to do with the date of the bond issue. Upon some direct and rather indelicate questioning the leaders in the committee agreed that the prime function of the committee should be to peddle the upcoming bond issue to the "people." That's where they lost me.

If the building is erected in El Cajon, and I think it should be, the advisory committee will frequently pass the firm, fine ken of Mr. Casady. He will discover that recommendations for some of the district's actions and improvements dragged through the advisory committee so fast it barely has time to become polenated with advisory committee flavor.

These actions, of course, are not illegal. You couldn't properly use the word "irregular." Yet I am certain Mr. Casady will find an appropriate word if the water works and all its functions are brought to El Cajon.

Careless Driver Pays $53 Fine

Ralph S. Billie, driver of the car that hit a woman at Broadway and Olive the 20th of March, plead guilty to a charge of negligent driving involving injury before Judge Hussey on April 16 and was fined $53.

The injured woman, Mrs. Gibson, 55, of 4008 Pauly street, Vista La Mesa, was taken to La Mest Community Hospital, by Adams Ambulance and remained in the hospital seven days.

There seemed to be no concussion, but she suffered severe shock.

The driver of the car passed to the right of a car that had stopped to allow the woman to cross the street. So we say again, boys and girls, don't pass around or by a stopped car at a crossing. You might hit a pedestrian, and $53 is the "penalty," plus hospital and doctor bills of much more money.

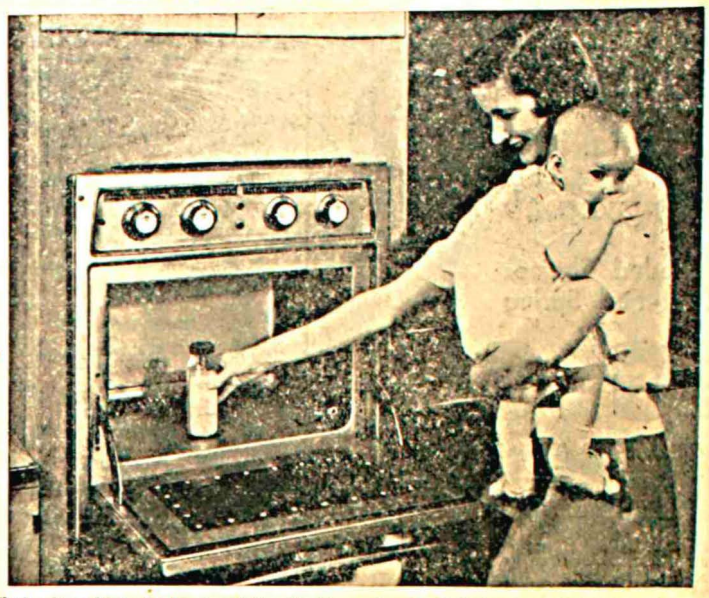
NEW DEVICES TO BE SHOWN AT SPRING FAIR



Electronic cooking will be one of the attention getters April 24 to 29 at the Electric Building at Balboa Park when the Bureau of Home Appliances unveils their twelfth annual Spring Fair of Modern Home Ideas.

In the above range a mother can warm her baby's bottle in 15 seconds, bake a cupcake in 27 seconds, cook bacon in 1½ minutes and bake an apple in 3 minutes.

Approximately 100 exhibitors will have displays, and best of all, the show is free. Door prizes will be awarded daily. The show opens at 6 p.m. opening day but starts at 1 p.m. thereafter. It closes daily at 10:30.

Helix Varsity-Alumni Baseball Game To Be Played Monday

It will be another Helix High School varsity versus alumni sports battle Monday, April 30 on the Helix Hi baseball diamond.

Coach Tom Welbaum's stickers are currently one of the top prep teams in the Metropolitan league.

Coach Bob Turnbull of the alumni will field such outstanding alums as Noel Mickelson, four year pitcher for San Diego State College, and John Bates (Lemon Grove) and Ray West, pitchers. Bernie Svalstad (Lemon Grove) and Dick Gardner, from State College and JC respectively, will do the behind-the-plate chores. The infield will consist of Gail Stuckey, Buddy Davis, Bill Bame (Lemon Grove), Tom Welbaum Jr. (Monterey Heights), Art Sutores (Monterey Heights), and Dave Sucec. The outer-gardens will be patroled by Brian Herald (Lemon Grove), Bob Lebb, Jerry McGue, Stu Sloan and Cedric Jordan (Monterey Heights).

Game time is 2:30 p.m.

So far, nobody has devised a way to develop a business without somebody putting in hard work.

WHAT'S DOING

DIRECT DISTANCE DIALING ARRIVES

Shown in the above picture are Les Berens, of the local telephone company accounting department, and Donna Tschakert, Office supervisor. He is showing one of the forms for customer statements that will be used for Direct Distance Dialing calls.

I would like to add that everyone I've talked to that has used the new DDD system seems to be pleased with it. It allows you to complete a call to any of the 200 cities that are now dialable in about 25 to 30 seconds.

We at the telephone ofifce are proud of the fact that the San Diego metropolitan area is the first in the country to get this type of service on a transcontinental basis.

You'll find it much easier to complete DDD calls readily if you keep one of our customer instruction booklets handy when dialing. We mailed these booklets to local telephone users several weeks ago.

The booklets have all of the details for propertly placing DDD calls. They have all of the area codes, and particular information that applies to different cases.

In the event you have misplaced your booklet, we will be glad to mail you another one, upon request. Just call the local telephone business office, HOpkins 6-3201. I feel confident you will enjoy using this new long distance service.

Seen "Telephone Time" on TV?

"Telephone Time" is a new dramatic TV series, on home screens in the Pacific West for the first time this month. It is narrated by John Nesbitt and based on his own true stories gathered the world over. This Sunday, "Telephone Time" brings you a suspense story called "Away Boarders". It tells of a risky and important capture during World War II of the German submarine U-505. Each week there will be stories of heroism, comedy, history or warm human emotion—always true, always entertaining. Make "Telephone Time" a regular Sunday viewing habit. Please check your television log for local time and station.

SportsRoundup

By Bob Turnbull

Track: In a recent Tuesday afternoon "scrimmage" the Helix Alumni track team defeated the Helix Varsity track squad, 47-39. If a regular meet would have been run the Varsity squad would have claimed victory, but the alumni did not have entries in the 220 or pole-vault. Dave Sucec and Jim Weldon paced the Alumni. Dave is a one and two miler from State College and Jim is State's leading hurdler. In the 100 yard dash Bill Ernest broke the school record in a :9.9 seconds effort. Another good showing on the alumni's part was Weldon's 19.7 in the 180 low hurdles.

Baseball: Helix still leads the Metro league after defeating Chula Vista, 7-2, last week. . . . State College defeated Loyola, 9-3 while Helix's "big brother" Grossmont lost to Sweetwater, 6-0.

Tennis: Helix remained undefeated by besting El Cajon, 5-2. . . . San Diego Junior College remained undefeated for the last two years by waxing Santa Ana Junior College, 6-0. Leland Swennes, Gail Stuckey and Frank McCabe are Helix's contributions to JC's potent squad.

Golf: San Diego JC squashed Orange Coast JC, 31-5.—B. T.

ASSOCIATION OFFICE GAINS BRANCH STATUS

First depositor Luther Hussey checks in as savings and loan firm's local office expands. — L. G. Camera Foto

A further expansion by the La Mesa-El Cajon Savings and Loan Association was announced last week when the association's Lemon Grove office at 7800 Broadway transferred its status from that of an agency office to that of a full-fledged branch office.

On hand were big-wigs of the banking and legal profession, as well as many happy depositors of the firm who stopped in Monday, April 16 to share the "open house" festivities which marked the expansion and up-grading.

"We want to serve the Homeland area with the fullest facilities we have available," John B. Davis, association president, said. "Growth of Lemon Grove and Spring Valley since we opened the agency office in January, 1955 made the expansion in service mandatory."

In the photo above is Judge Luther N. Hussey, local attorney, making a deposit by which he becomes proud holder of the firm's first savings account as a branch. Robert C. Wilson, right, manager of the branch, hands Hussey savings account book numbered "1," while Ava B. Consant, assistant secretary of the firm, looks on.

Dis 'n Dat at Helix Hi. . . . Spotted a nice pic of Helix sophomore dashman Bill Ernest in last week's Trib sports. Bill has hoofed the century in a blazing :9.9 seconds and has two more high school years to bust many a record. . . . Speaking of local thinclads was glad to hear St. Augustine's Jack Ratelle holds the individual best seasonal mark in the quarter mile, time 50.1. Jack's pop, a while back, was Lemon Grove's judge. . . . Congrats to Linda Fetterly, Judy Medler, Athalie Ray and Joan Funk for spearheading Helix's second straight annual sweepstakes award at San Diego State College's annual Journalism Day. Helix's "big brother," Grossmont, was in its usual place—right behind Helix!

Helix presents open house all this week. The public is invited. . . . Congrats to ASB vice-pres Myrtle Tilling who was selected to represent Helix in the annual citizenship training conference, Girls State, in June. One busy week in Sacramento. . . . Helix's fine band and orchestra recently returned from a successful one day engagement at Arcadia High School. . . . Ed Tilling, former Highland prexy, will keynote the annual Camp Cuyamaca leadership conference this weekend when 125 studets trek to the hills to become better school leaders. (Note: Squirt guns are outlawed this year, gang, the faculty just can't take it!)

Freakish Fads! . . . Girls at Bent County High School, Colorado, wear as many bells as possible on their anklets, jean cuffs, petticoats, jackets, bracelets, necklaces and hems of their skirts. The more they jingle jangle, the more they're "hep." . . . Females at Austin High School, Chicago, identify their steadies by wearing dog tags saying, "I belong to . . ." . . . High school felines of Rodcliff Jansen Central School, New York, are back at the fad of rinsing their hair with food coloring.
